

Letter Of Recommendation

Dr. Rahul Sharma
Director
D Y Patil International University
Akurdi
13-08-2024

To Whom It May Concern,

I am writing to recommend Vaibhav Kumar Singh, a highly motivated and talented individual who has been an exemplary student at D Y Patil International University(DYPIU). As the Director of DYPIU, I have had the pleasure of observing Vaibhav Kumar Singh grow into a proficient and dedicated professional in the field of Artificial Intelligence and Machine Learning (AIML).

During Vaibhav's time at our institution, he demonstrated a remarkable aptitude for AIML through his successful completion of several advanced projects. His work consistently showcased both technical expertise and a deep understanding of AIML's practical applications. Additionally, Vaibhav has been working as a Machine Learning developer with a company for the past few months, giving him hands-on experience and further solidifying his ability to apply theoretical knowledge to real-world challenges. His contributions have been recognized by both faculty and peers for their innovation and impact.

In addition to their academic achievements, Vaibhav has made significant contributions to our campus community. As the convener of the CodeDecode club, they have played a pivotal role in organizing events and workshops that have helped foster a strong culture of coding and development among students. Their leadership skills were further demonstrated during their tenure as the co-convenor of the Google Developer Student Clubs (GDSC), where they led numerous initiatives that connected students with the broader developer community and provided them with valuable learning opportunities.

I am confident that Vaibhav will bring the same level of commitment, creativity, and expertise to any role they undertake in the future. They have my highest recommendation, and I strongly believe that they will make a significant impact in the field of AIML.

Please feel free to contact me at rahul.sharma@dypiu.ac.in if you require any further information.

Sincerely,

Dr. Rahul Sharma
Director
D Y Patil International University
